## About hotel

The Sauna World will take you to an intimate environment where Finnish and steam saunas create a unique theatrical image that opens new dimensions of enjoying the hot wind.

- Room Cleaning
- Room Service
- Airport Transfer
- Welln

RIS is offering you a solution that is:

Easy to use

On-site or Cloud based easy &  
user friendly multi language  
Web Interface

Flexible

Customizable and  
personalized TV-Interface for  
every Interactive Point (TV)

Scalable

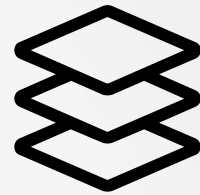

Easily Scalable from 1 to any  
number of Interactive Points

# Key Features

## **Connect any TV**

Operates with any TV on the market in conjunction with Nano STB or other device and STB-less scenario with Samsung and LG Smart TVs

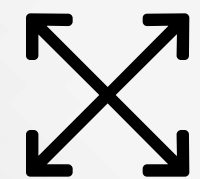

## **Any Environment**

From dedicated any shared LAN cabling systems to coaxial or otherwise fully wireless networks, allowing for easy and cost-effective deployment.

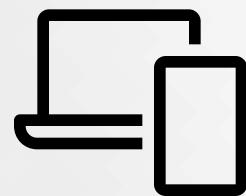

## **Cloud based**

A new server-less solution allows you to provide a dynamic “plug-and-play” experience without on-site servers for more streamlined operations

## **Magic remote controls**

Features a unique point & click motion remote control or standard remote control with full dual-use STB and TV operation without the use of external sensors

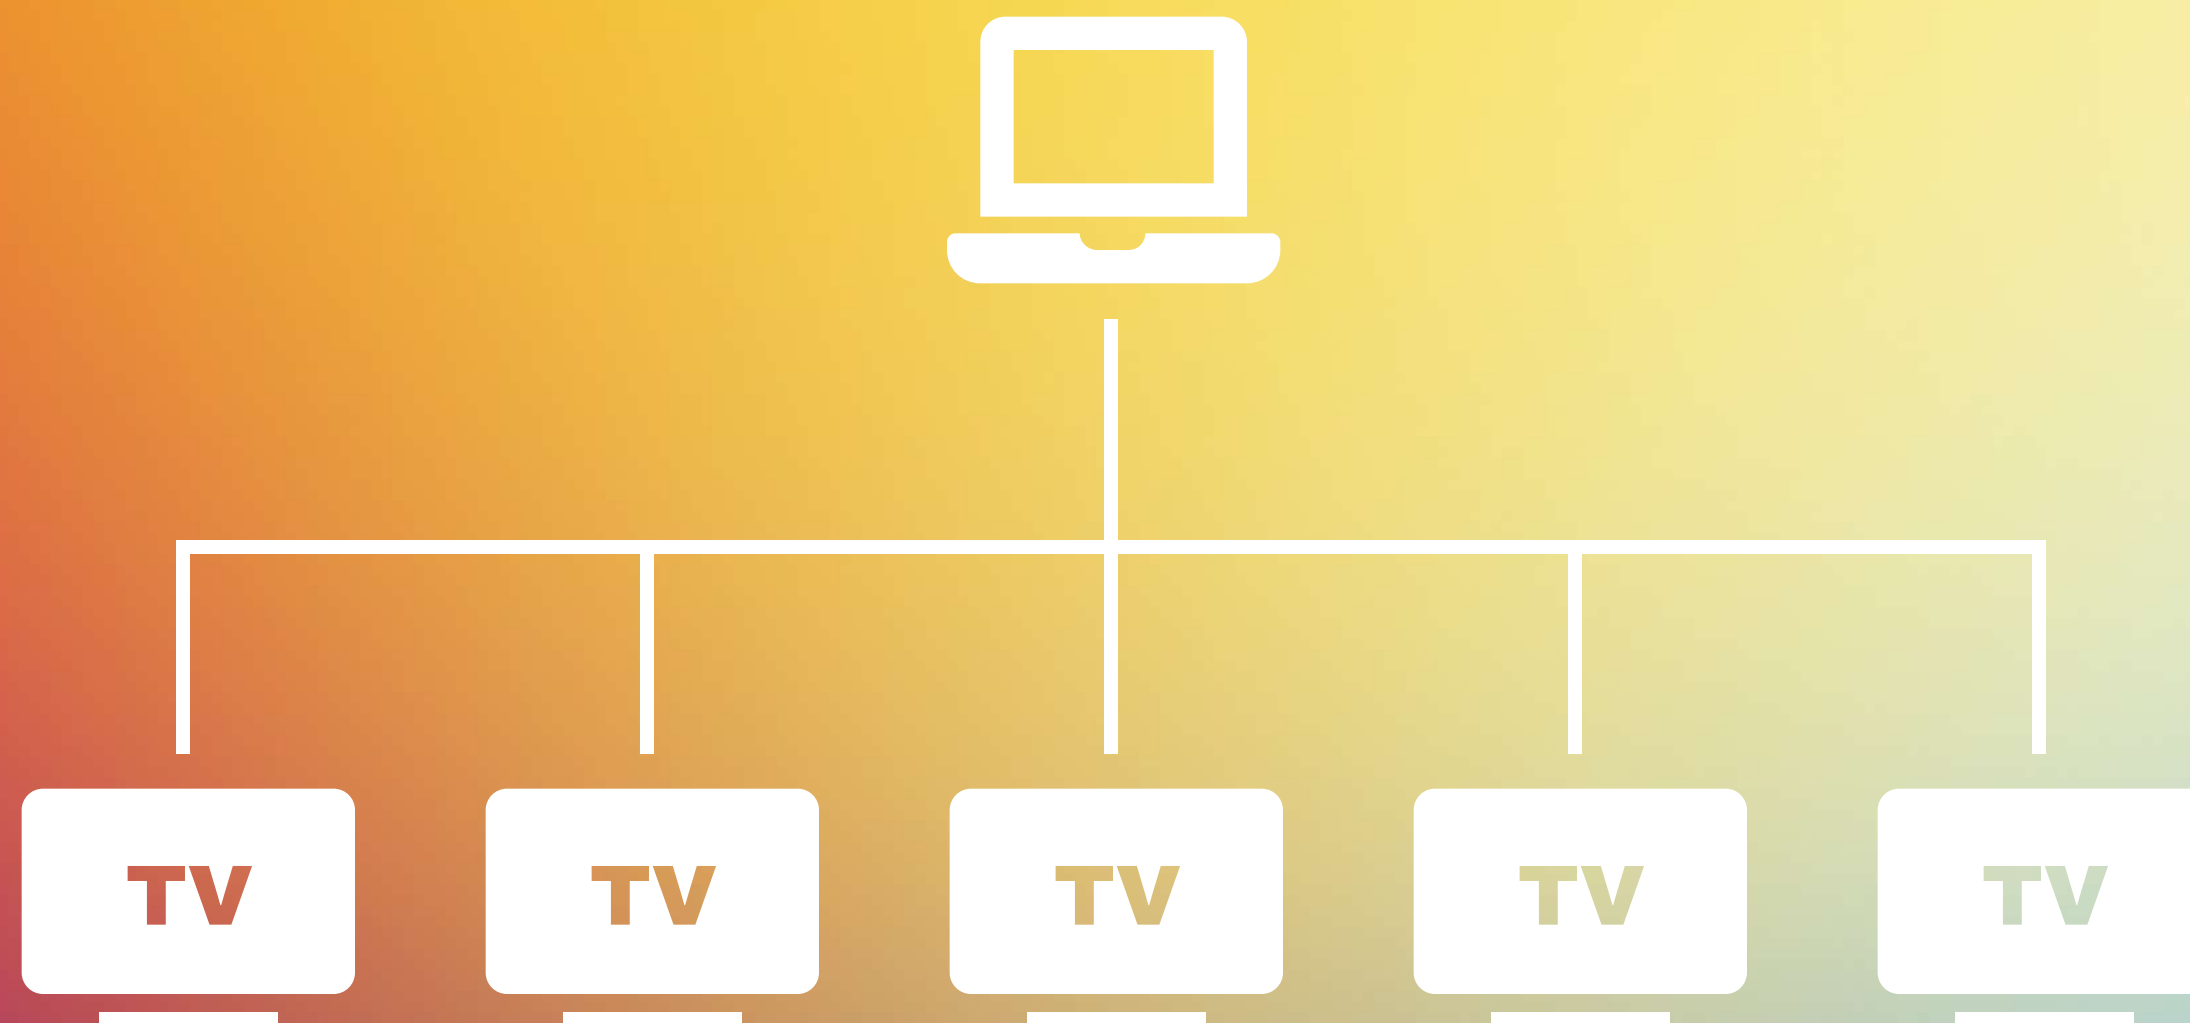

## **Triple screen**

The most feature-rich triple screen experience, which allows your guests to interact with the complete range of facilities and services on offer at your hotel as well as watch WIFI TV channels, VOD content and more!

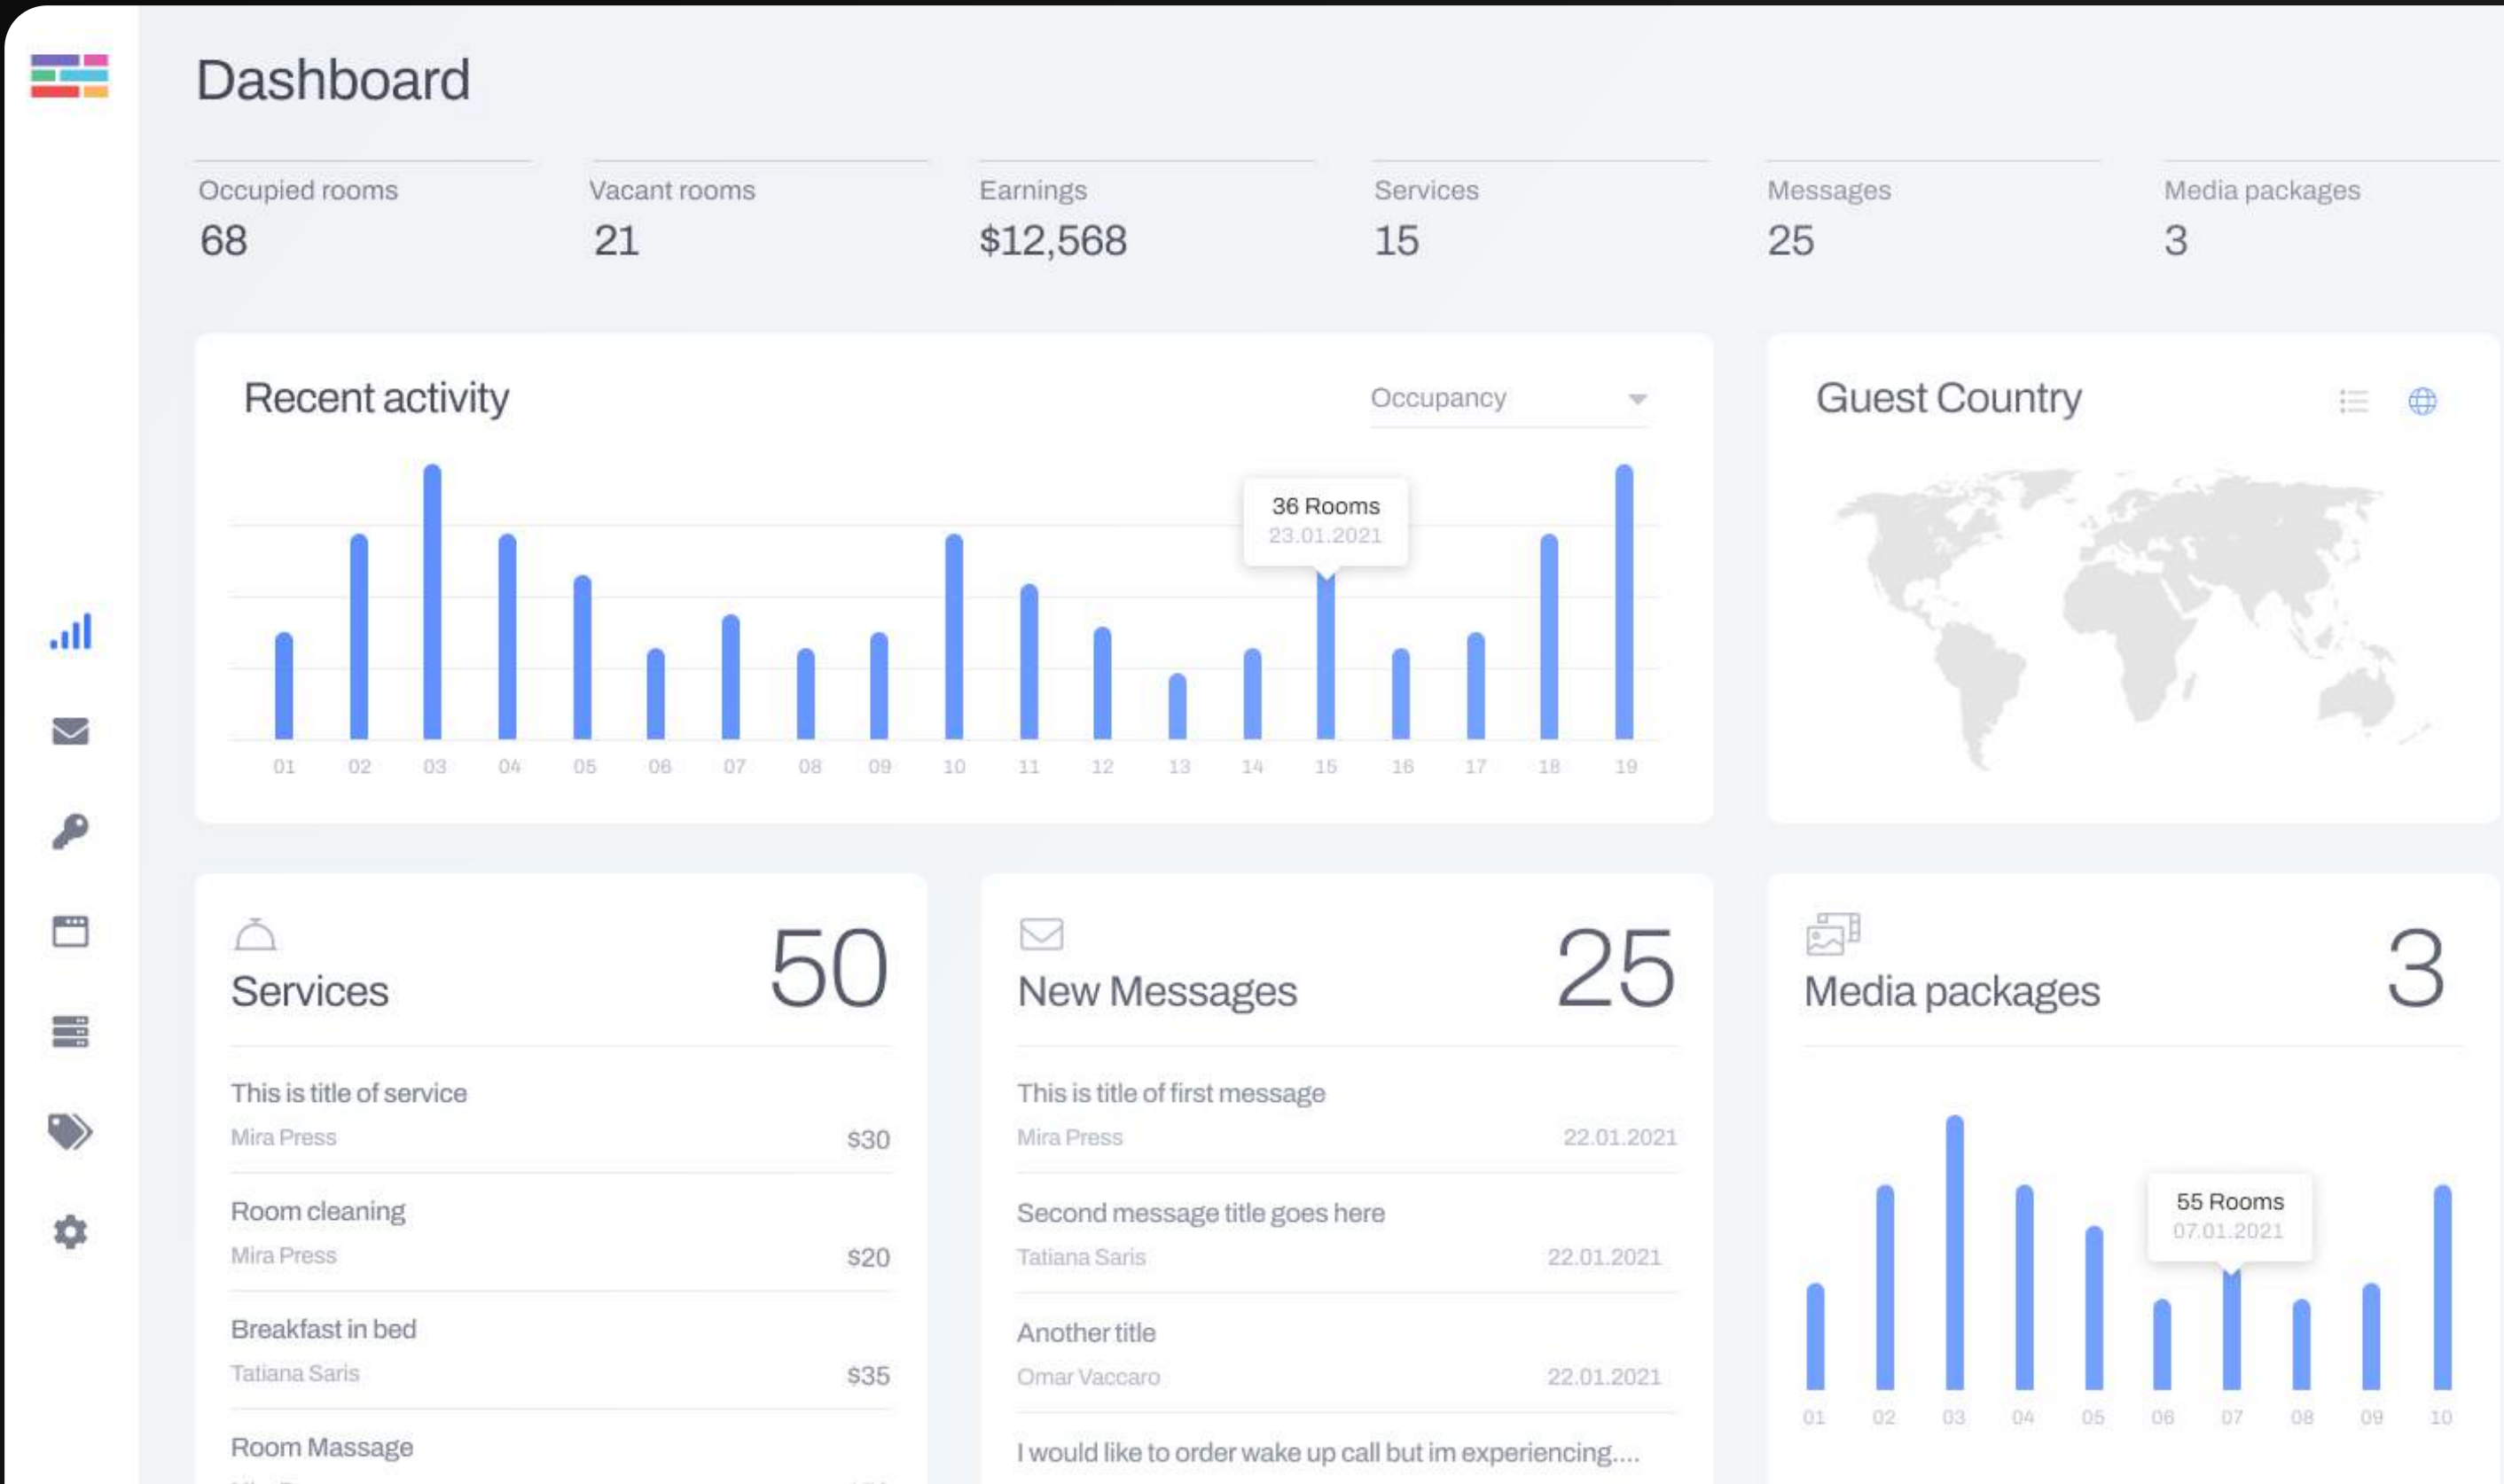

# How RIS TV works

Works with any IP-based networks for TV-IPTV Streaming and/or existing coaxial TV for marketing information exchange. Fast and Real Time Web Interface to manage content as well as user's device casting/mirroring

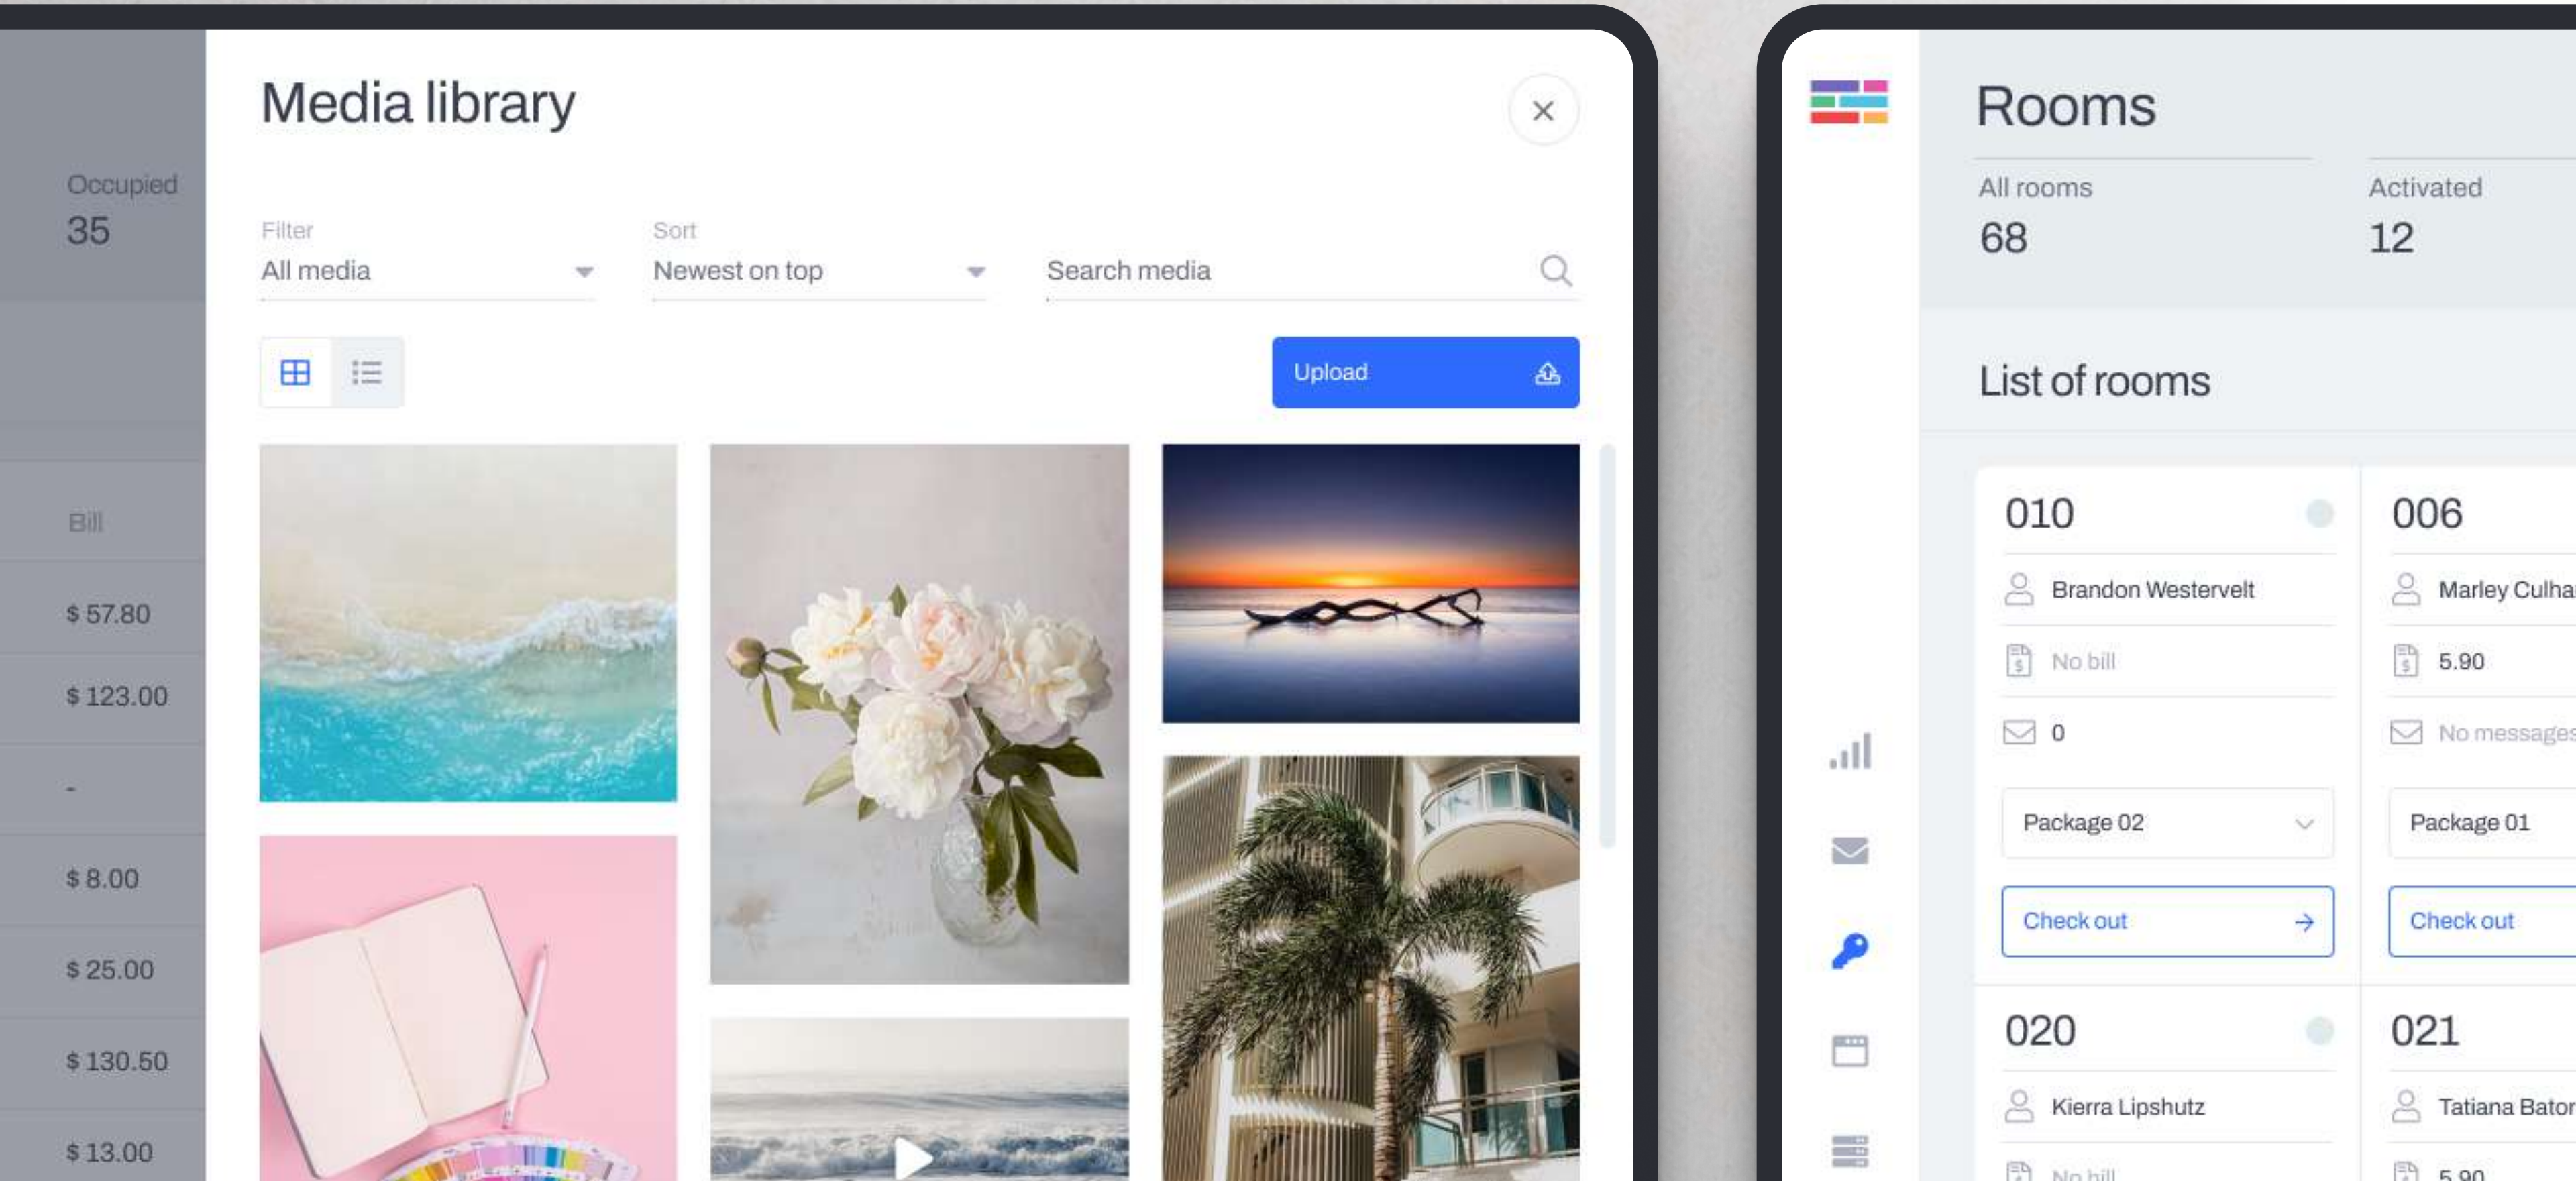

# All key data at one glance

Use our admin dashboard to get key information about use and performance of the system. Dashboard shows real time information and its accessible via computer or tablet through browser.

# Feature and content management

Easy to use Web Interface to change any information in seconds and send offers, announcements, events etc. directly in real time to the TV's screens

# Increase your income

Advertize and sell your products and services on the interactive platform.  
Enhance room ordering and communication with guests

## Massage

The combination of warm almond oil and honey will make this massage truly magical. Honey massage stimulates the body to eliminate toxins and excess fluid, and has a positive effect on skin tone. The skin pores are cleansed, and the skin itself again becomes soft and silky.

## Sauna

The Sauna World will take you to an intimate environment where Finnish and steam saunas create a unique theatrical image that opens new dimensions of enjoying the hot wind. Due to relaxation areas and special programmes, the sauna will become your favourite healthy habit.

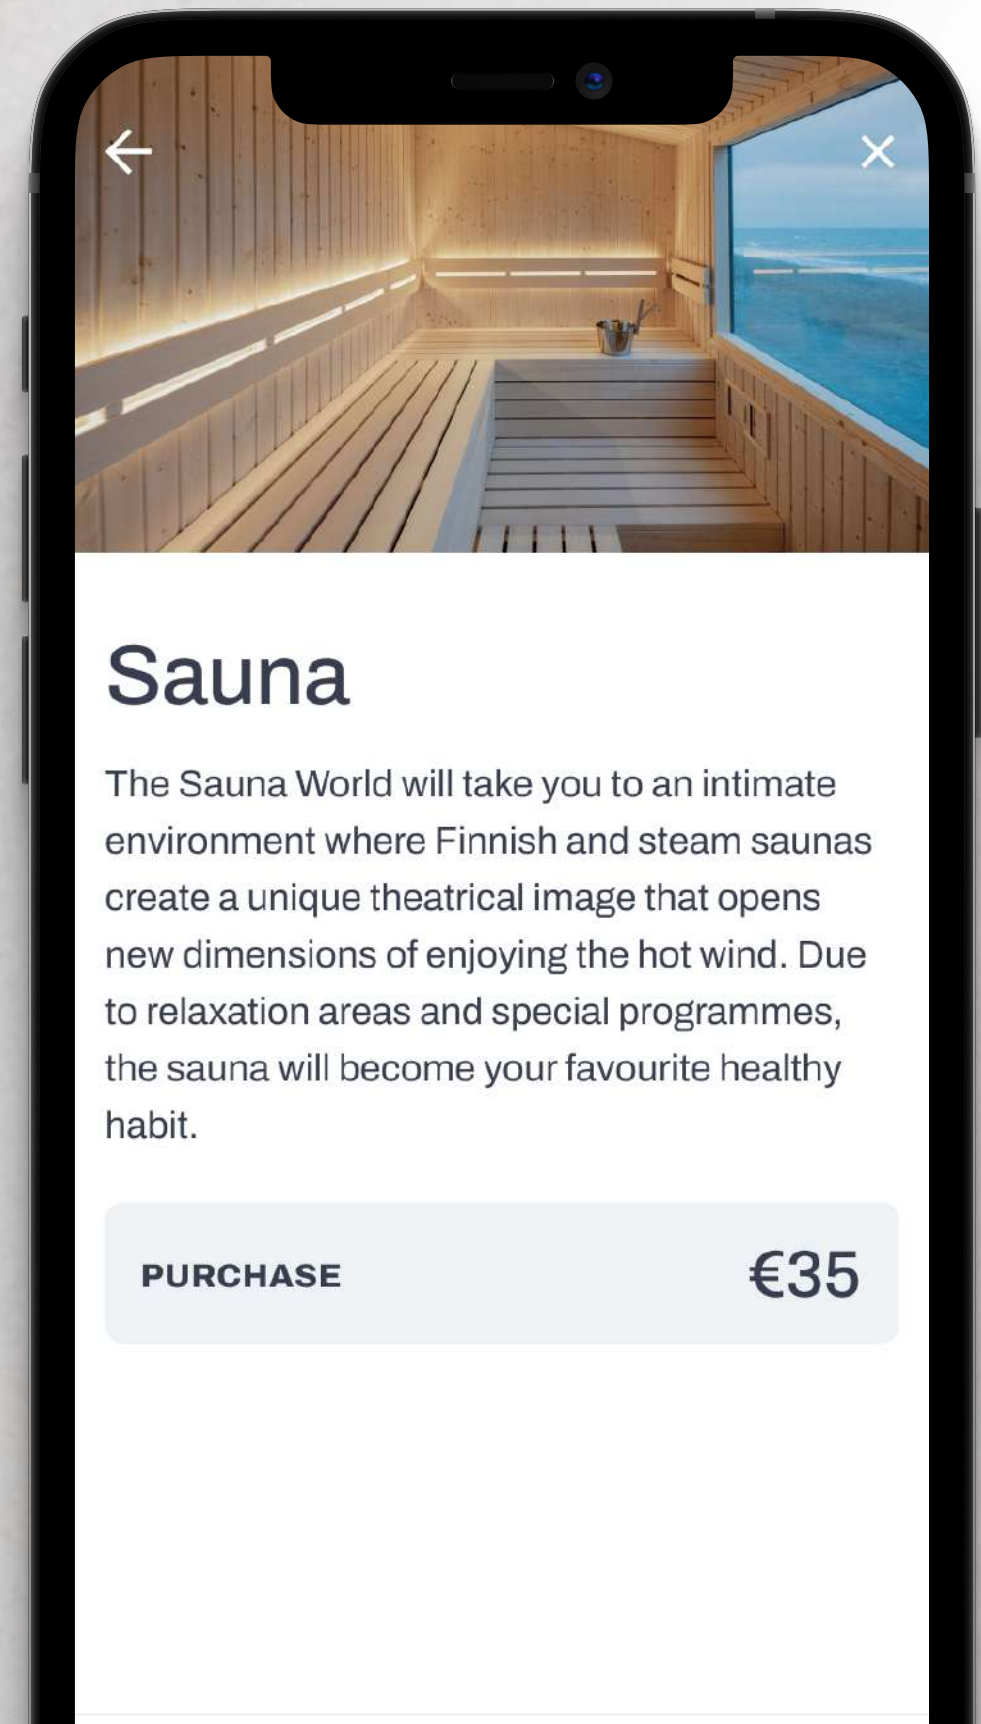

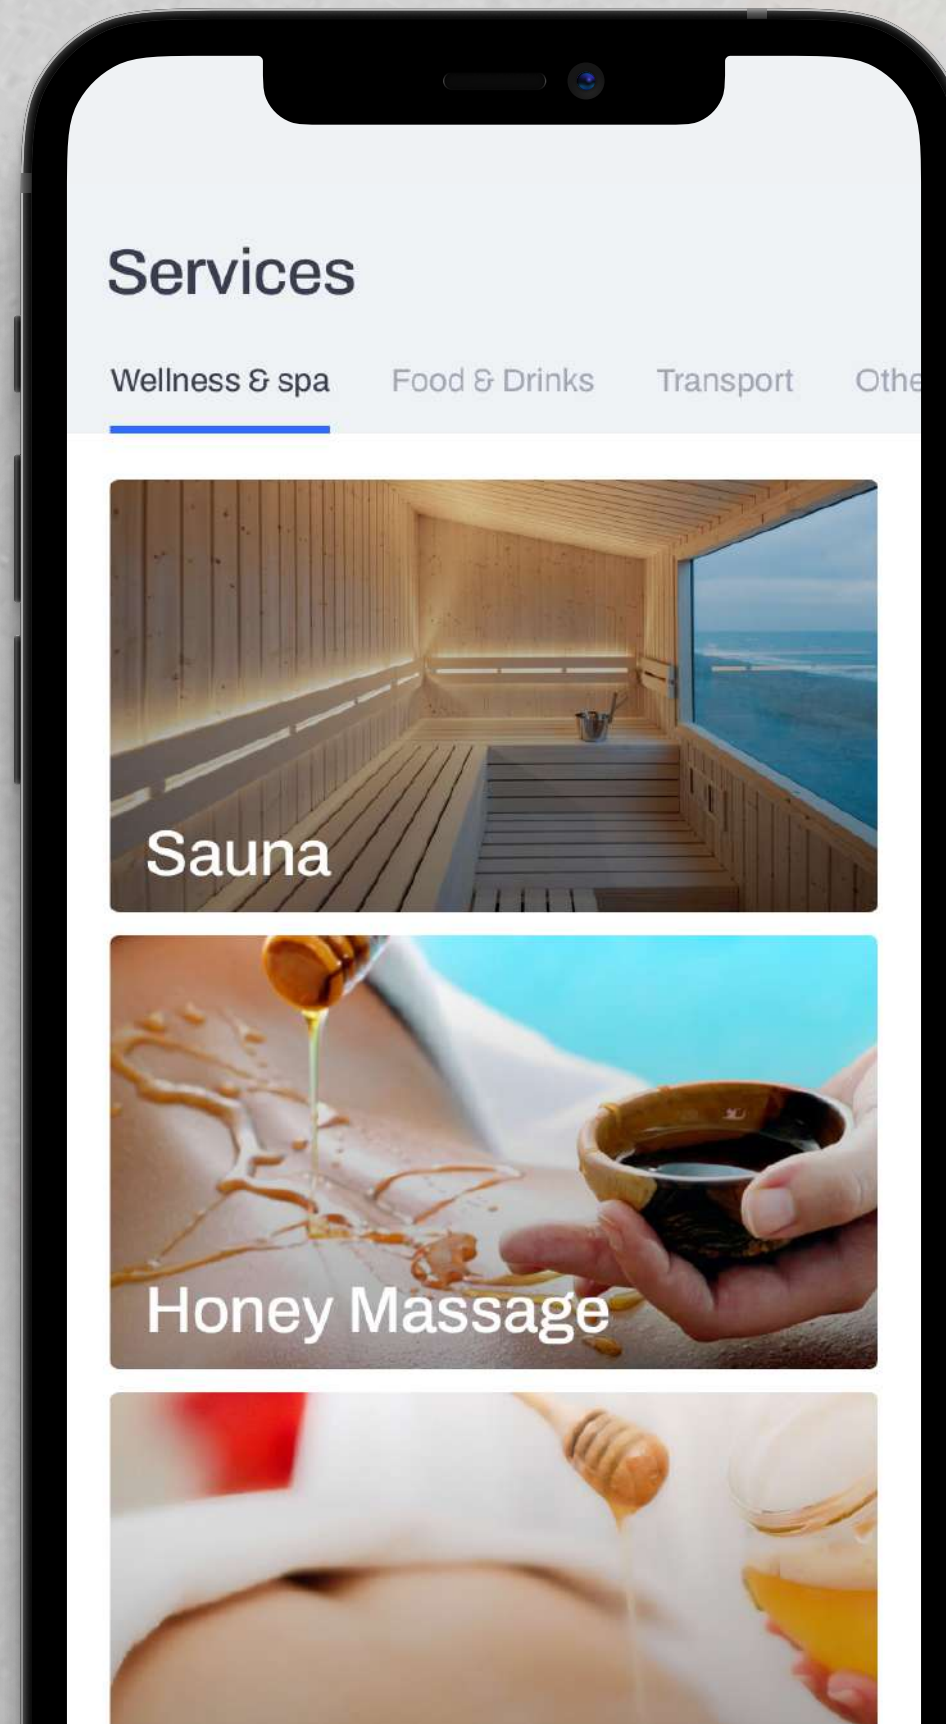

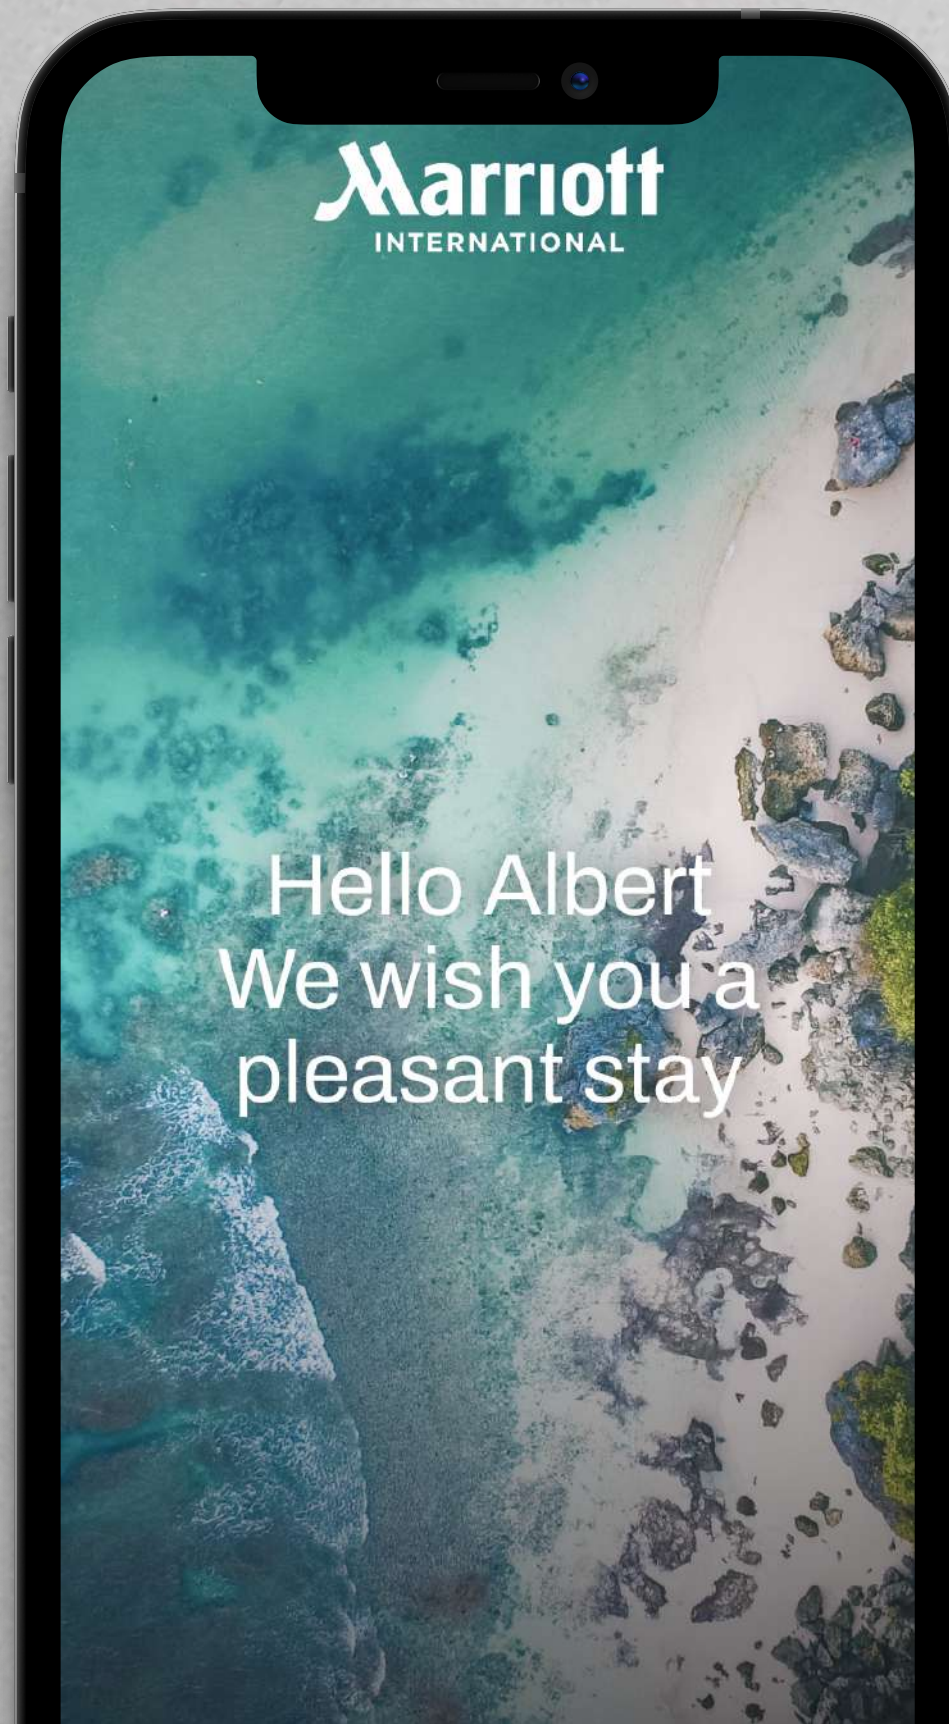

**PURCHASE** €35

You might also like

Four small image thumbnails are visible at the bottom of the screen, representing other products or services.

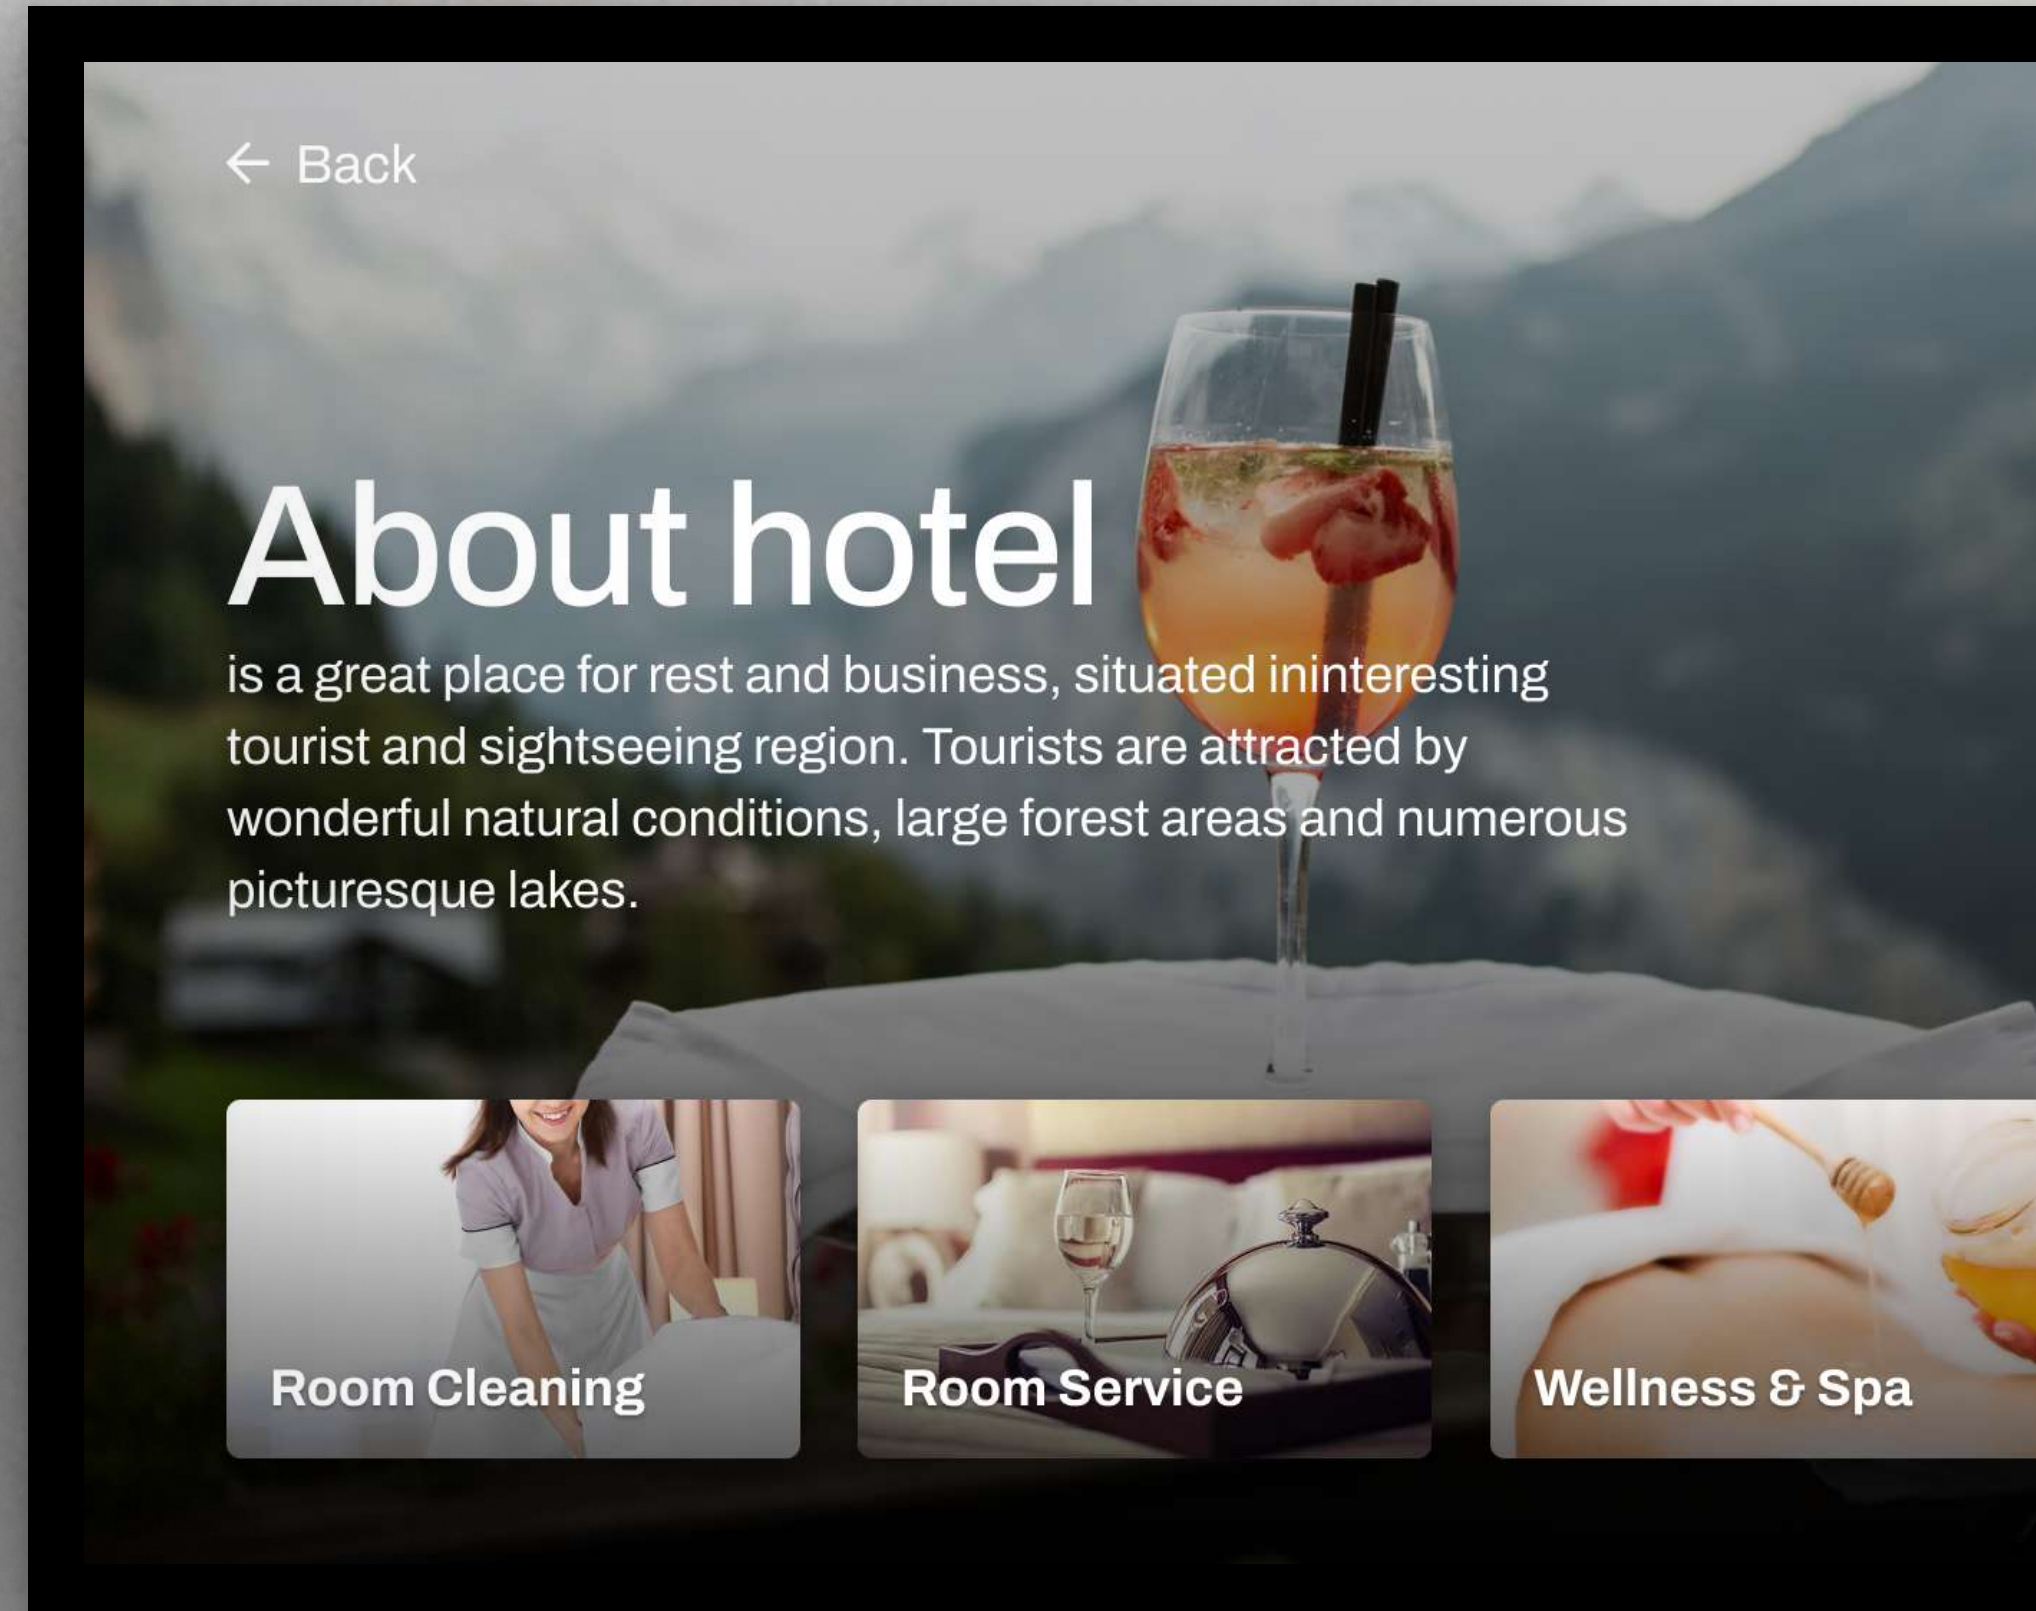

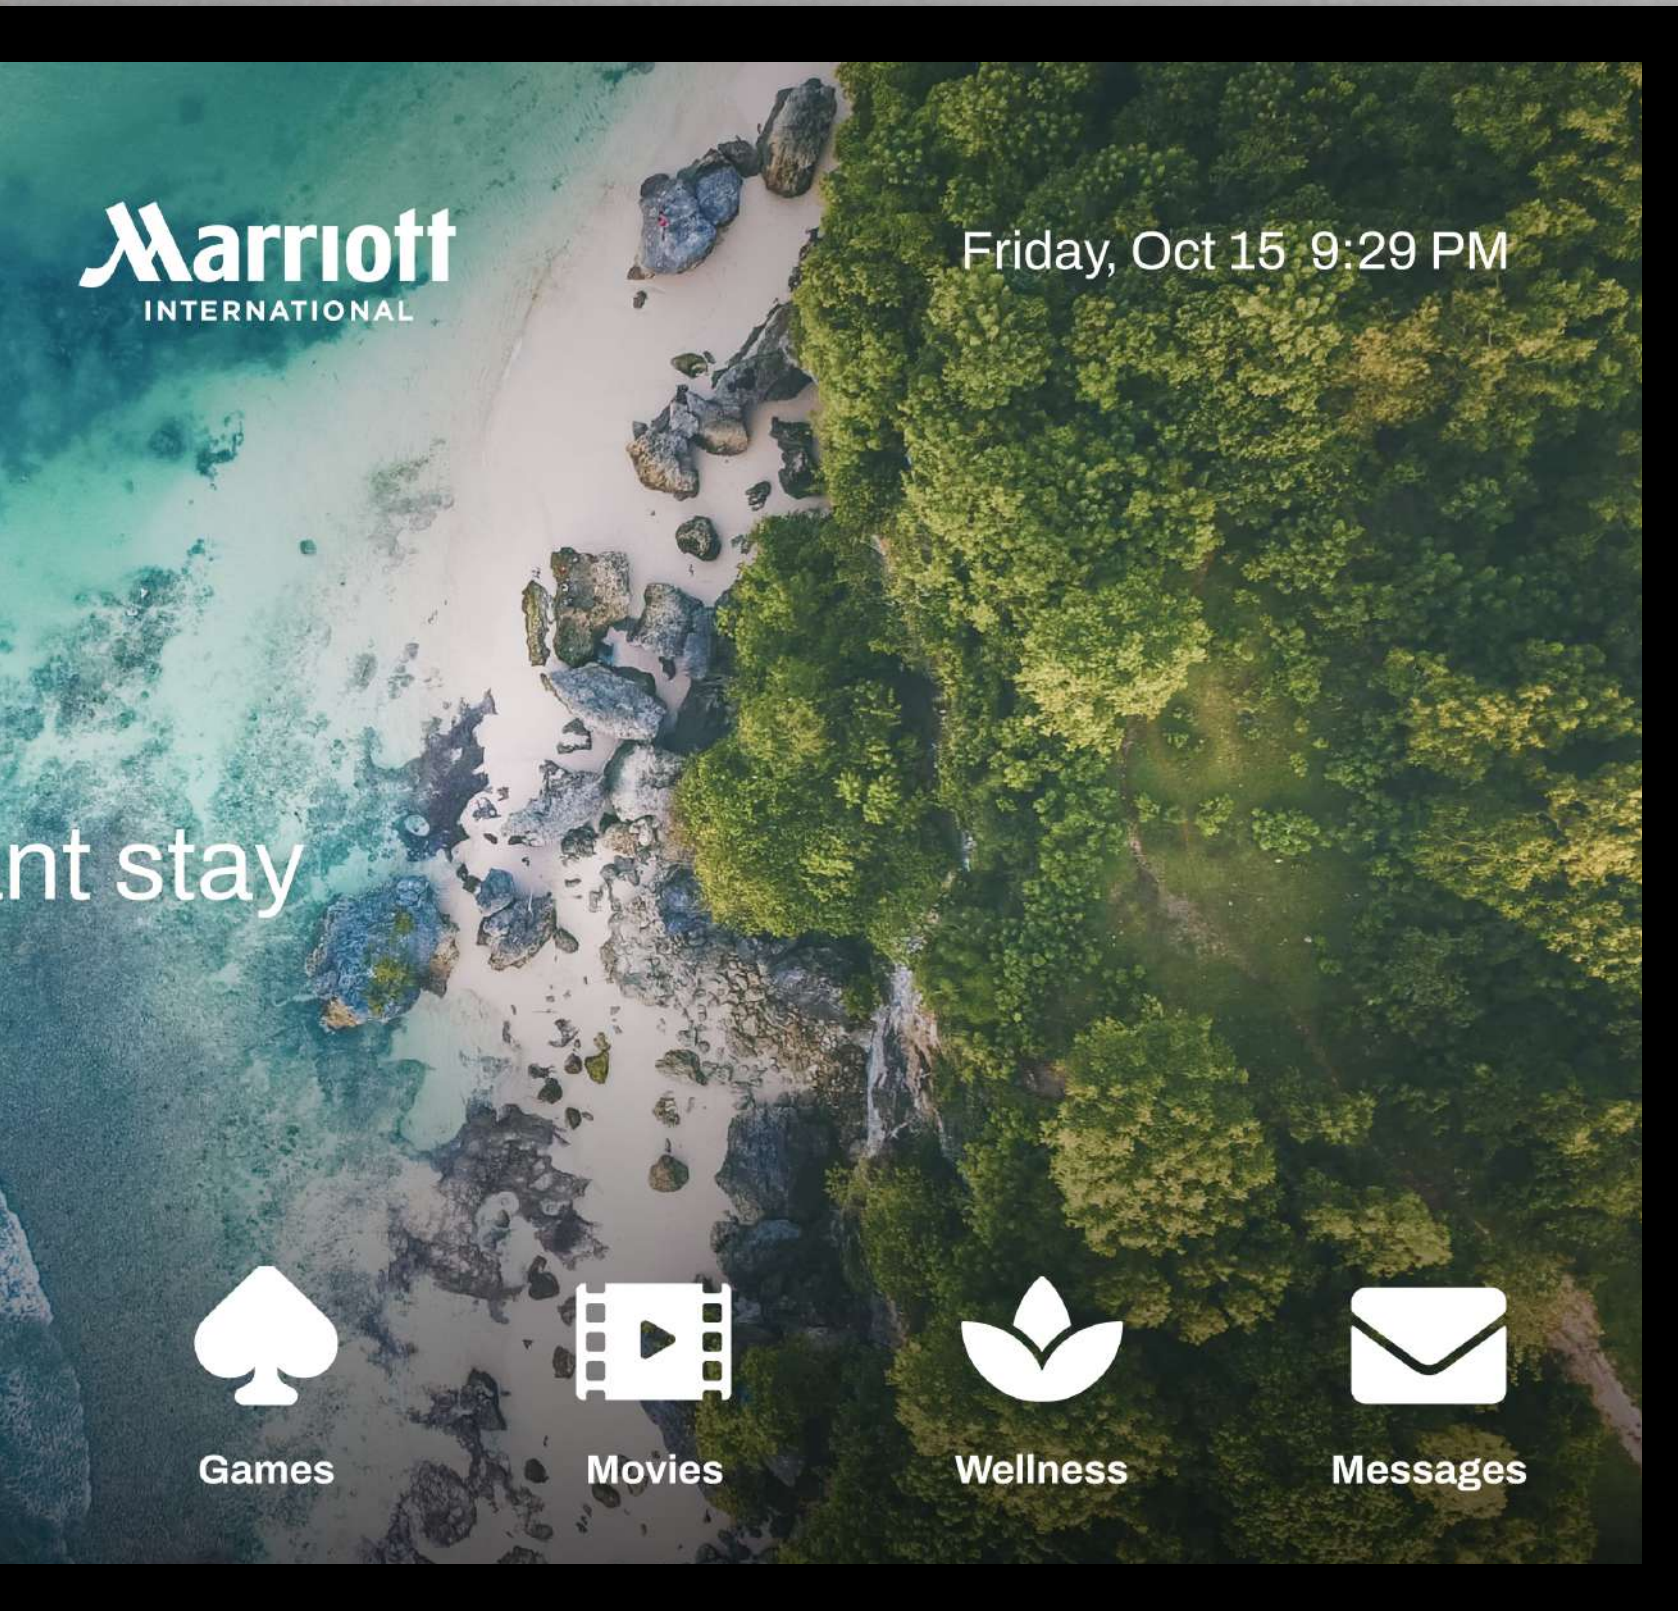

# Order items from your phone

Easy access to products and services when not in the front of TV through any smartphone device or tablet

# Inform your guests

Unlimited ways to interact with your clients, to spread information, to promote your business partners with detailed important descriptions and HD images.

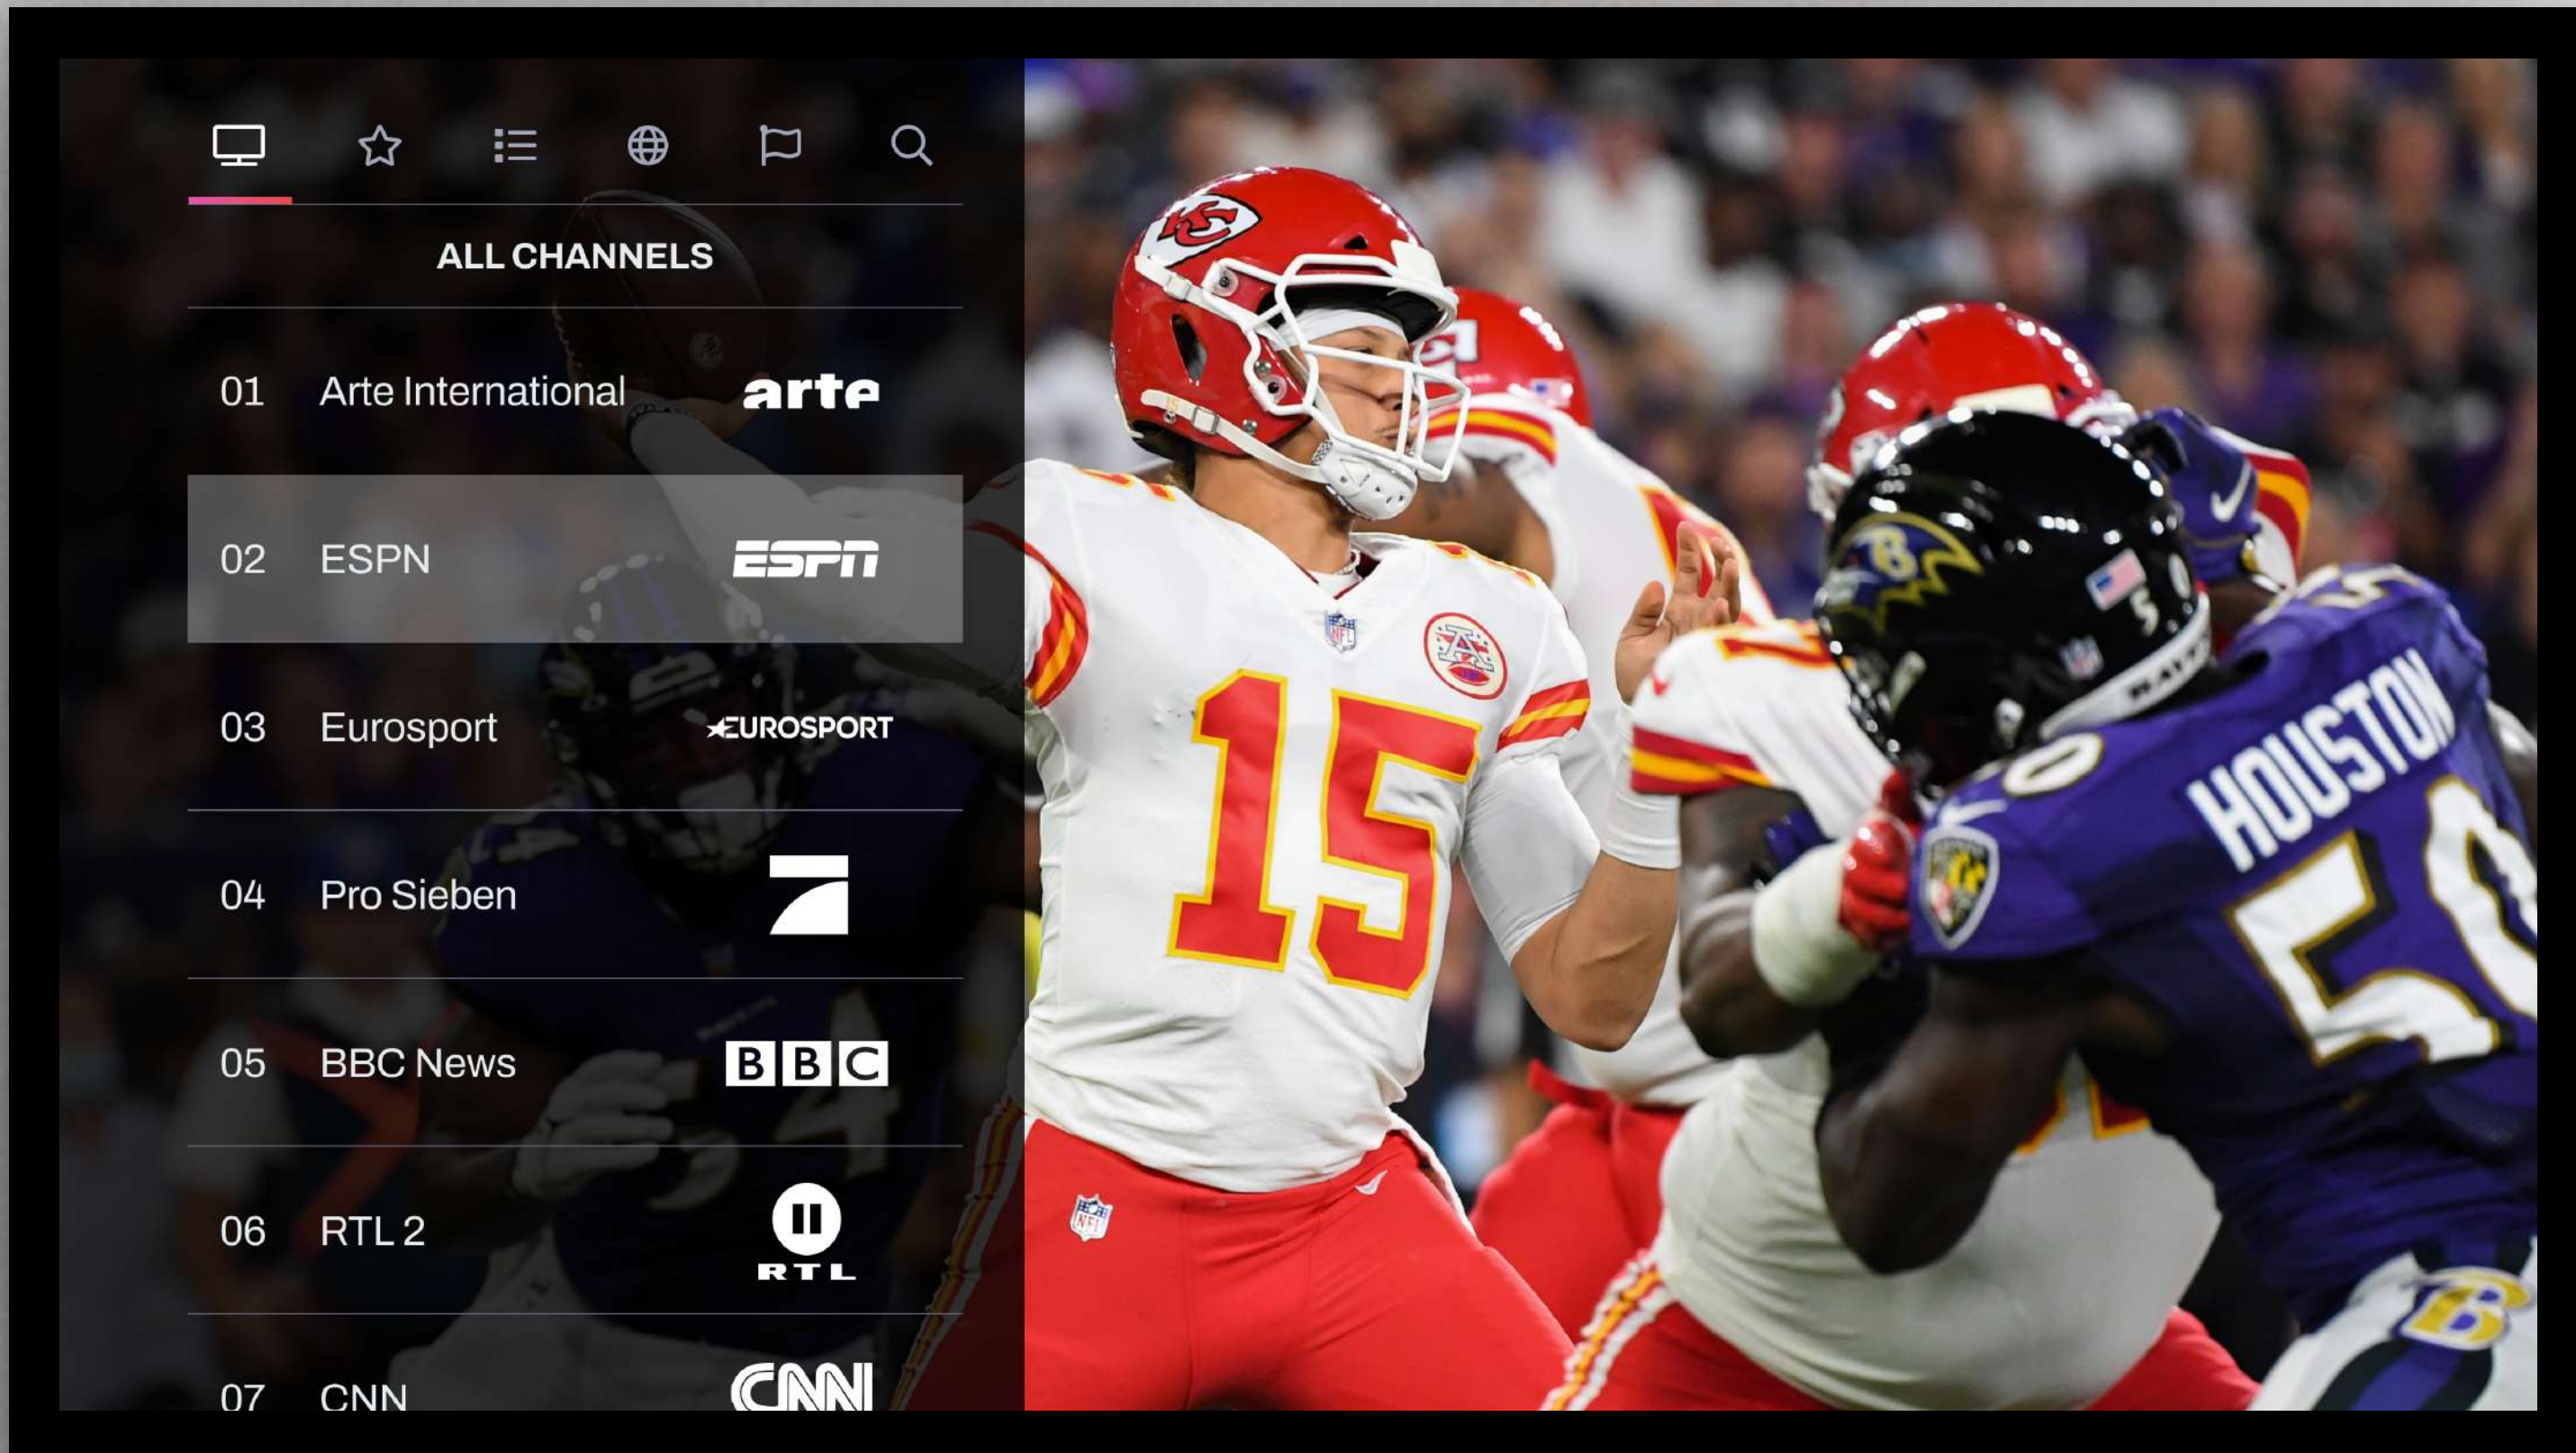

# All the channels you want

Hundreds of free and encrypted channels, stable and HD quality.  
The number of channels depends on the size of the TV server system and/or cable provider.

# Live TV in FHD quality for IPTV streams

Stream in full HD Quality International and national TV Channels using our newest IPTV technology and very easy one button TV Remote

The image displays a user interface for an IPTV service. On the left, a dark-themed menu lists seven channels with their respective logos. The '02 ESPN' option is highlighted with a grey background. The right side of the interface shows a live sports stream of an NFL game, featuring a player in a white and red uniform (number 15) and a player in a purple and black uniform (number 50, Houston). The interface includes a top navigation bar with icons for home, favorites, menu, globe, flag, and search.

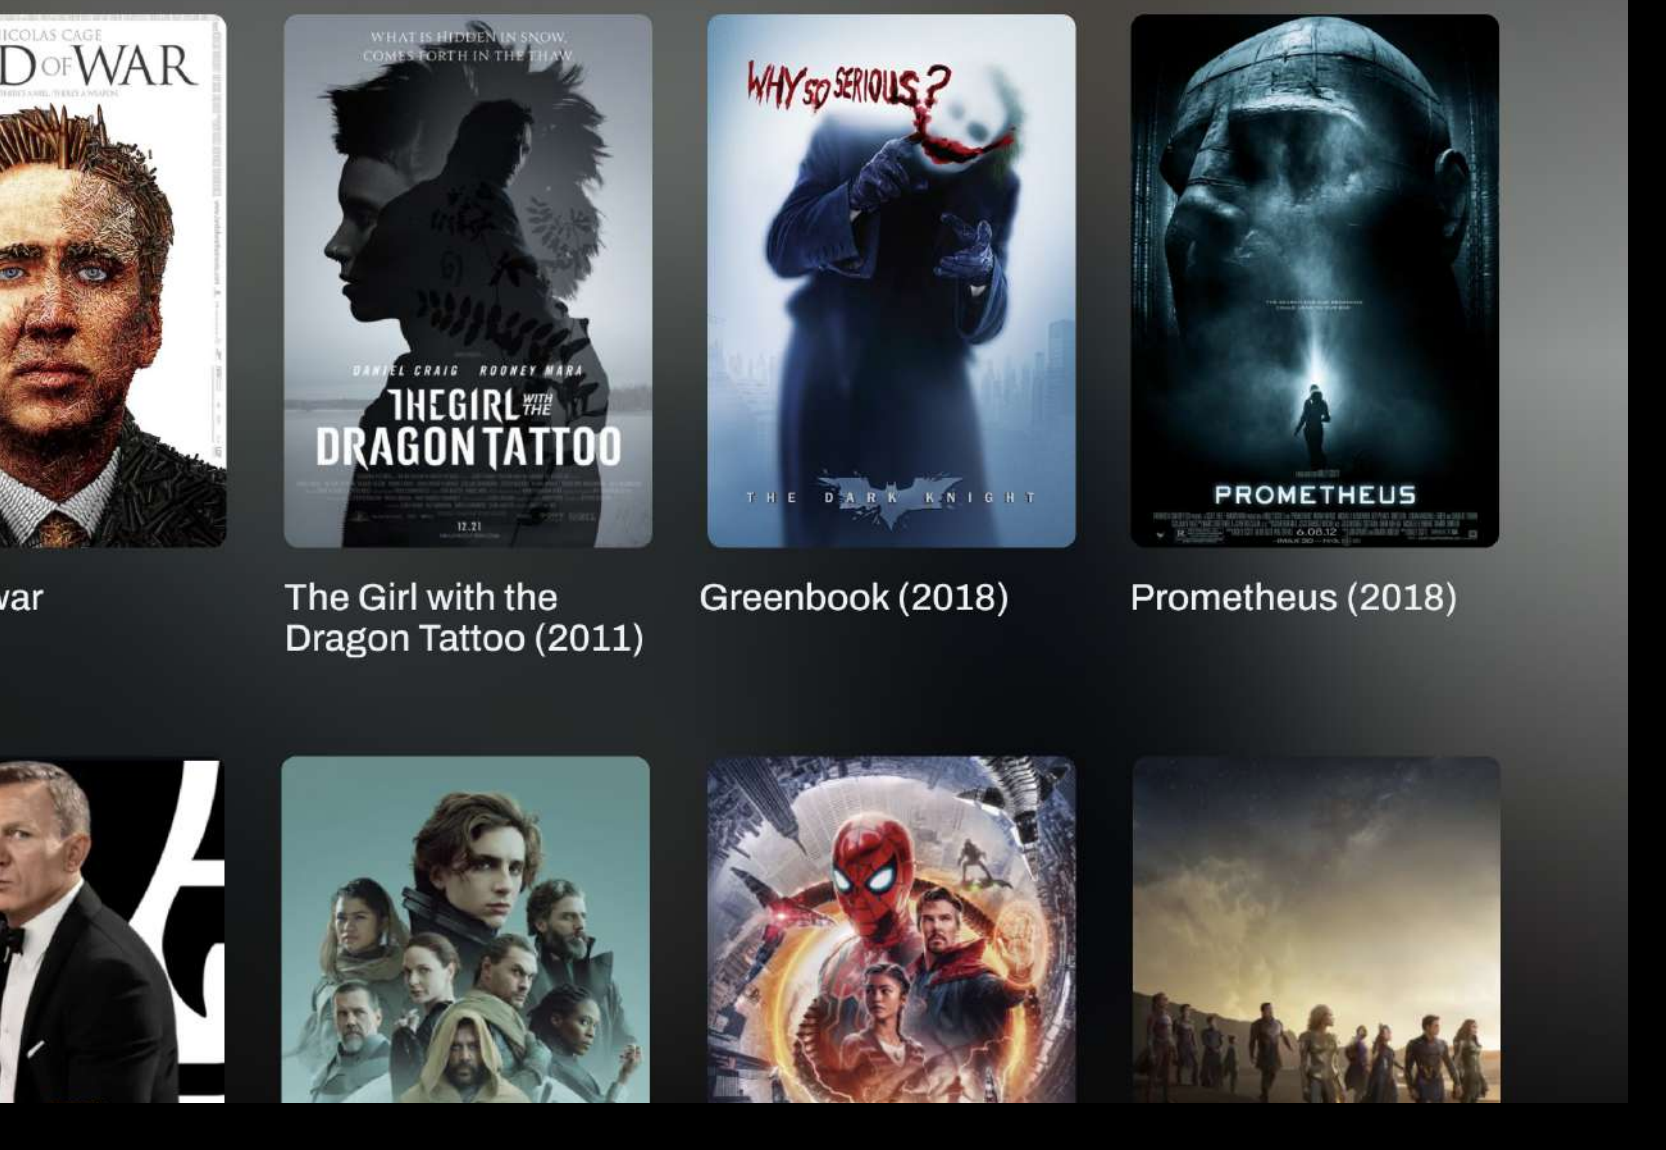

Channel ID	Channel Name	Channel Logo
01	Arte International	arte
02	ESPN	ESPN
03	Eurosport	EUROSPORT
04	Pro Sieben	Pro Sieben
05	BBC News	BBC
06	RTL 2	RTL
07	CNN	CNN

# Watch movies on demand

Offer the newest blockbuster using RSTV's easy to use VOD interface and subscribe to our automatic and online Movies-Update Service
