A dimly lit, modern hotel room. On the left, a large flat-screen TV is mounted on a light-colored wall. Below it is a long, low white desk or console with a kettle and some items on it. In the background, there is a desk with a chair and a lamp. To the right, a large window is covered with light-colored curtains. In the foreground, a bed with white linens is visible. A red armchair is positioned near the window. The overall atmosphere is calm and professional.

RISTV runs on any Samsung and LG TV also as embedded solution without STB

Testimonial

We struggled many years with different IPTV and Room Entertainment systems, until we found RISTV. At the beginning we were very uncertain, but as soon as RISTV told us they will rent the whole system with a money back guarantee, we had nothing to lose. Now after more than 5 years, I have to admit it is the most robust and stable system I ever had in my resort!
